Political obligation refers to a moral requirement to obey national laws. Its origins are unclear, however it traces to the Ancient Greeks. The idea of political obligation is philosophical, focusing on the morality of laws, rather than justice. Discussion of political obligation grew during the era of social contract theory, in which Thomas Hobbes and John Locke were crucial in explaining the idea and its importance. Political obligation is distinct from legal obligation.

Unlike the theories previously discussed, a utilitarian account of political obligation is forward rather than backward looking, deriving political obligation from the future goods to be produced by obedience, rather than from what citizens have done in the past or what has been done for them. Utilitarianism posits that actions that maximize utility are morally required.

Publisher: Oxford University Press. DOI:10.1093/acprof:oso/9780199982189.003.0004. Political obligation has been a significant and enduring problem for liberals because they place a premium upon individual liberty, and states restrict this liberty with coercive laws. There is nothing logically inconsistent about both valuing individual autonomy and positing a duty to obey the law, but it is incumbent upon liberals to explain how citizens who normally enjoy a privileged position of dominion ...
