Resource and talent planning are essential management practices. Here you'll find information on resourcing and talent planning and management, including talent audits and latent pools, career planning, management and development (including promotion and secondment), succession planning, turnover and retention.

Information on Resourcing & Talent Planning | CIPD
The other subjects, and the one for which I won the Top Paper Award; People Planning and Resourcing, were successfully accomplished at home by self-learning. ABE is very much recognised by many employers and the public in Sri- Lanka and I am thankful that ABE makes UK education more accessible to Sri-Lankan students, hence increasing our employability.

Anjalee Wijewardane | ABE UK
Workforce planning practice. Practical workforce planning guidance to help HR and managers deliver a clear people strategy against changing organisational needs. People in charge of organisations, teams or projects have always needed to plan how activities will be accomplished. Such planning inevitably involves recruiting, training and deploying the people needed to get the work done.

Workforce planning practice | CIPD | Guidance
Identifying, attracting and assessing to get the right people for the organisation. Resourcing involves the attraction and selection of individuals into the right role at the right time and cost. It's about using relevant workforce planning data and knowing the right sourcing approaches and digital tools to tap into diverse candidate pools, both active and passive.
