This publication provides parents, children and others with a reference to education law in Scotland. The book arranges topics in alphabetical order for ease of reference. It covers the whole spectrum of the law related to education, including choice of school, the curriculum, homework, discipline, human rights, safety and supervision, school closures and transport.

'Scottish Education' is a frank and authoritative commentary on every aspect of education in Scotland. It provides detailed information on pre-school, primary, secondary and tertiary education.

## Access Free A Z Of Scots Education Law A Guide For Parents Scottish Consumer Council By Sandra Mcguire And Iain Nisbet

A parent's guide to additional support and learning, presenting the key features of the 'Education (Additional Support for Learning) (Scotland) Act 2004'. It gives an overview of the planning processes involved with a child with additional support needs, how the different plans relate, and focuses on the Co-ordinated Support Plan (CSP).

For any reader needing a clear, concise explanation of a subject in law The New Oxford Companion to Law is the ideal reference work. Providing greater depth than legal dictionaries but always accessible to the non-expert, entries in the Companion cover all areas of law and legal systems and are extensively cross-referenced for ease of navigation.
