Something about the illustration in
Leslie ' s books just mesmerizes
my 18 month old. She looks
intently at every page as I read
that baby is happy or baby is sad.
Seeing as that is basically what
every page says, it gives the
reader the ability to explain why
baby is happy or baby is sad based
on the picture.

As I've said in other reviews, I
love Leslie Patricelli books. Some
are saying this one is repetitive,
and they're right. There's not a
whole lot of thought in this story,
