Princess Cassandra has survived one attempt on her life already, and now whispers of a second attempt have reached the kingdom. On a mission to rescue Empress Justina's son from his pirate kidnappers, Hal and the brotherband crew set sail amid stormy seas to the island of Santorillos where they encounter a formidable obstacle, a caldera.

Hal, who does not fit into Skandian society, ends up in a brotherband, a group of boys learning the skills that they need to become warriors, with other outcasts, and they compete with other brotherbands in a series of challenges.

Determined to recover the Adomal and to prevent the pirate Zovac from doing more harm, Hal and his crew pursue Zovac to the fortress of Ragusa where Hal will have to face the pirate one-on-one in a fight to the finish.
