Flawed by Kate Avelynn is one of those stories that tells the dark secrets that are hidden deep within. Where the tell-tale signs are visible for all to see, and yet, no one knows what is happening. Or because of the lies that have been told and over and over again have become the only "truth" that they know.

Sarah O'Brien is alive because of the pact she and her brother made twelve years ago—James will protect her from their violent father if she promises to never leave him.

Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their violent father if she promises to never leave him. For years, she's watched James destroy his life to save hers. If all he asks for in return is her affection, she'll give it freely. Until, with a tiny kiss and a broken mind, he asks for more than she can give. Sam Donavon has been James' best friend — and the boy Sarah's had a crush on — for as long as she can remember. As their forbidden relationship deepens, Sarah knows she's in trouble. Quiet, serious Sam has decided he's going to save her. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

Sarah O'Brien is alive because of the pact she and her brother made twelve years ago — James will protect her from their violent father if she promises to never leave him. Neither of them realize James is far more unstable than her father ever was, or that he's not about to let Sarah forget her half of the pact . . .

They grew up together as the closest of friends... and then more. When Sara Nolan and Jaxon Barlow decided to be together, their relationship as a young couple was consumed by a love that was both passionate and beautiful. Sara had it all when it came to a boyfriend: romance, trust, and a protector of all things bad. Jaxon had given her his bleeding heart for the keeping. The last thing Sara expected was to ruin it all. Falling into a darkness that turned her loving relationship into a chaos of deceit and violence, she walked away from the pain she was inflicting on the man she loved, never seeking to return again. But when Sara is forced to return to her hometown, she didn't anticipate for Jaxon to be there. Nor does she anticipate the change in him; a change so harsh and callous, he is a stranger with a dangerous agenda of his own. Ignited by her past feelings and the reminder of the guilt she carries in her heart, Sara attempts to avoid Jaxon at all costs... only to find herself trying to pull him out of the same darkness she was once in. ***Book is intended for mature readers.*** This is part 1 of two books. Ignite #2, titled Burn, is out now.

Gwyneth Shepherd's sophisticated, beautiful cousin Charlotte has been prepared her entire life for traveling through time. But unexpectedly, it is Gwyneth who in the middle of class takes a sudden spin to a different era! Gwyneth must now unearth the mystery of why her mother would lie about her birth date to ward off suspicion about her ability, brush up on her history, and work with Gideon—the time traveler from a similarly gifted family that passes the gene through its male line, and whose presence becomes, in time, less insufferable and more essential. Together, Gwyneth and Gideon journey through time to discover who, in the 18th century and in contemporary London, they can trust. Kerstin Gier's Ruby Red is young adult novel full of fantasy and romance.

Will and Asheley have a troubled past. Their father left them when they were little, and their mother has just been carted off to an alcohol treatment center. Now, they have the house to themselves, and an endless California summer stretching out before them. Through alternating perspectives, they tell the story of how and why their lives spun violently out of control - right up to the impossibly shocking conclusion you'll have to read for yourself to believe.

Celebrate the fortieth anniversary of the enduring gothic masterpiece *Flowers in the Attic*—the unforgettable forbidden love story that earned V.C. Andrews a fiercely devoted fan base and became an international cult classic. At the top of the stairs there are four secrets hidden—blond, innocent, and fighting for their lives... They were a perfect and beautiful family—until a heartbreaking tragedy shattered their happiness. Now, for the sake of an inheritance that will ensure their future, the children must be hidden away out of sight, as if they never existed. They are kept in the attic of their grandmother's labyrinthine mansion, isolated and alone. As the visits from their seemingly unconcerned mother slowly dwindle, the four children grow ever closer and depend upon one another to survive both this cramped world and their cruel grandmother. A suspenseful and thrilling tale of family, greed, murder, and forbidden love, *Flowers in the Attic* is the unputdownable first novel of the epic Dollanganger family saga. The Dollanganger series includes: *Flowers in the Attic*, *Petals in the Wind*, *If There Be Thorns*, *Seeds of Yesterday*, *Garden of Shadows*, *Beneath the Attic*, and *Out of the Attic*.

Have you ever gone just a little too far? Lexie Banks has. Yep. She just had mind-blowing sex with her stepbrother. In her defense, she was on the rebound, and it's more of a my-dad-happened-to-marry-a-woman-with-a-super-hot-son situation. But still, he's been her best friend and confidant for the better part of the last few years . . . and is so off limits. It's a good thing

she's leaving in two days for a year abroad in Rome. But even thousands of miles away, Lexie can't seem to escape trouble. Raised Catholic, she goes to confession in hopes of alleviating some of her guilt . . . and maybe not burning in hell. Instead, she stumbles out of the confessional and right into Alessandro Moretti, a young and very easy-on-the-eyes deacon . . . only eight months away from becoming a priest. Lexie and Alessandro grow closer, and when Alessandro's signals start changing despite his vow of celibacy, she doesn't know what to think. She's torn between falling in love with the man she shouldn't want and the man she can't have. And she isn't sure how she can live with herself either way.

Sixteen-year-old Maya and seventeen-year-old Lochan tell, in their separate voices, of their confusion and longing as they fall in love with one another after years of functioning as parents to three younger siblings due to their alcoholic mother's neglect.

Elise I'm obsessed with Aston. He became my addiction the moment I met him at 10 years old. He was my best friend from childhood. He protected me and guided me. I loved him fiercely long before I really understood what love was. We were inseparable. He knew how I felt, and sometimes he would stare at me in ways that made me breathless. But there were boundaries. Lines that couldn't be crossed. Looks that shouldn't be exchanged. Lips that shouldn't be kissed. We weren't supposed to love each other. Not in ****that**** way. Because, you see, Aston was also my adopted brother... Aston Elise was off-limits, a temptation that cursed my existence with this visceral hunger to have her, possess her, and taste her like she was made for me. I was tormented and on the brink of falling. If I stepped over that boundary, if I gave into my want, I wasn't sure I could survive the disappointment of my adopted parents. We would all be affected. Our lives wouldn't be the way it was. That change was irreversible, and the damage would be permanent. It was a scary thought, destroying a foundation and rebuilding it without knowing what it might end up looking like. But my want for her...it sat in the core of me, growing and growing. And want is a dangerous fucking thing. It clouds your judgment, it makes you weak, and I knew...I knew without a doubt, it was only a matter of time before I cracked. Obsession was devotion. Obsession was mania and need. It was a compulsive urge to self-gratify by wanting, and wanting, and wanting 'til it hurt, 'til you could feel it there in your bones, gnawing its way deeper within you. Obsession was my craze for Elise. She was my impulse. My...pulse itself. It wasn't healthy. I knew that. I didn't fucking care either.
