~~Miscarriage has touched almost every home, although it's rarely talked-about. It's the invisible pain.. Even couples who are very close and on sure footing find it too upsetting to discuss. In Silent Grief, author Clara Hinton knows what she's talking about. Experiencing the heartbreak of child loss firsthand, she tackles this universal tragedy by talking with women and men who have dealt with miscarriage. These interviews shed much light on the debilitating effects of child loss, including consuming guilt, depression, and strained marriages. Acknowledging that God is the ultimate healer of hurting families, the author shows through her interviews and personal experiences that there is hope for functioning through child loss. But the goal goes beyond that, to help families be happy again, and look forward to the future.~~

~~"Two-year-old Greta Greene is sitting with her grandmother on a park bench on the Upper West Side of Manhattan when a brick crumbles from a windowsill overhead, falls, and strikes her unconscious. She is immediately rushed to the hospital. Jayson Greene's memoir begins with this event and with the anguish he and his wife, Stacy, confront in the wake of their daughter's trauma and the hours leading up to her death. But Once More We Saw Stars quickly becomes a narrative that is as much about hope and healing as it is about grief and loss. Jayson recognizes, even in the midst of his ordeal, that there will be a life for him beyond it--that if only he can continue moving forward, from one moment to the next, he will survive what seems unsurvivable."--Publisher's description.~~

~~Children and teens who experience the death of a parent are never the same. Only in the last decade have counselors acknowledged that children grieve too, and that unresolved issues can negatively impact children into adulthood. Unaddressed grief can lead to depression, substance abuse, and relationship difficulties. For at least three generations of adults, these issues have been largely ignored. Having worked with thousands of families as Executive Director of the Dougy Center for Grieving Children, Donna Schuurman understands the dangers of unresolved grief better than anyone else. In Never the Same, Schuurman offers expert advice and encouragement to empower readers to reflect on their unique situation, come to terms with the influence of their parent's death, and live more healthful, peaceful lives. The only book of its kind, Never the Same is an essential companion for those still struggling with the early loss of a parent.~~
