opportunity to observe students as they read texts at their own instructional levels. Although there are many different definitions of guided reading, Burkins & Croft (2010) identify these common elements: Working with small groups. Matching student reading ability to text levels.

## ~~Guided Reading: Part 1, Getting Set Up | Scholastic~~

Guided Reading Boring ? Whether we agree or not, the current method for assessing our children's ability to read and therefore the method to assess a school's effectiveness at teaching reading is measured by how many words, out of a list of 40 a year 1 children can read. And how well year 2 and year 6 children can write their responses to comprehension questions.
