A real life of meaning is a life filled with fulfillment, acceptance and purpose. We find it in a relationship with Jesus Christ. No one in human history has made the claims Jesus made and given such great proofs to back them up. He claimed to be God, to be able to forgive sins, and to be the only way through which we can know God the Father.

However the first known literary reference to Robin Hood and his men was in 1377, and the Sloane manuscripts in the British Museum have an account of Robin's life which states that he was born around 1160 in Lockersley (most likely modern day Loxley) in South Yorkshire.

Draws on interviews with producers, managers and ex-girlfriends and boyfriends to provide a history of the band Queen, including how lead singer Freddie Mercury's sexuality alienated some of their fans and forced the band to reinvent themselves. By the author of Comfortably Numb: The Inside Story of Pink Floyd. 25,000 first printing.

The definitive biography of Queen and Freddie Mercury, by the author of Comfortably Numb and Bring It On Home Despite the death of their exuberant front man Freddie Mercury in 1991, Queen remains one of the most popular bands on the planet, with 300 million global album sales and the biopic Bohemian Rhapsody, a “foot-stomping celebration of Queen,” hitting theaters. Yet the full story of their extraordinary success and the truths behind the enigmatic Mercury has never fully been told, until now. Journalist Mark Blake, author of the bestselling Pink Floyd biography Comfortably Numb, has drawn on his own earlier interviews with the band and conducted nearly 100 exclusive interviews with record producers, ex-band members, personal assistants, and school friends, including many of Freddie Mercury’s earliest associates, to produce a complete, fascinating account of the band’s rise from suburbia to worldwide super-stardom. Is This the Real Life?, for the first time, how this groundbreaking band became champions of the world.

A FINALIST for the Booker Prize, the National Book Critics Circle John Leonard Prize, the VCU/Cabell First Novelist Prize, the Lambda Literary Award, the NYPL Young Lions Award, and the Edmund White Debut Fiction Award [A blistering coming of age story] [O: The Oprah Magazine Named a Best Book of the Year by The New York Times, The Washington Post, New York Public Library, Vanity Fair, Elle, NPR, The Guardian, The Paris Review, Harper's Bazaar, Financial Times, Huffington Post, BBC, Shondaland, Barnes & Noble, Vulture, Thrillist, Vice, Self, Electric Literature, and Shelf Awareness A novel of startling intimacy, violence, and mercy among friends in a Midwestern university town, from an electric new voice. Almost everything about Wallace is at odds with the Midwestern university town where he is working uneasily toward a biochem degree. An introverted young man from Alabama, black and queer, he has left behind his family without escaping the long shadows of his childhood. For reasons of self-preservation, Wallace has enforced a wary distance even within his own circle of friends/some dating each other, some dating women, some feigning straightness. But over the course of a late-summer weekend, a series of confrontations with colleagues, and an unexpected encounter with an ostensibly straight, white classmate, conspire to fracture his defenses while exposing long-hidden currents of hostility and desire within their community. Real Life is a novel of profound and lacerating power, a story that asks if it's ever really possible to overcome our private wounds, and at what cost.

The Washington Post hails Greil Marcus as our greatest cultural critic. Writing in the London Review of Books, D. D. Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson. For nearly thirty years, he has written a remarkable column that has migrated from the Village Voice to Artforum, Salon, City Pages, Interview, and The Believer and currently appears in the Barnes & Noble Review. It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements, teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission. Published to complement the paperback edition of The History of Rock & Roll in Ten Songs, Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, astute, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

A simple sentimental gift for fans of the British rock band "Queen," which consisted of vocalist Freddie Mercury, guitarist Brian May, drummer Roger Taylor, and bassist John Deacon. *** This journal alternates between 9 LINED pages for writing and 1 BLANK page for sketching throughout - Size 5.2" x 0.2" x 8" with 110 pages total. *** It can be used as a simple diary, a mini class notebook, prayer journal, record of goals, dreams, and milestones, for show notes, and more. Make the book even more special by tucking tickets, a gift card, or a little cash in the folds. A portrait of the iconic rock band's late lead singer draws on insider access to trace his rise to fame, struggles with risky behavior, relationships with loved ones and death from AIDS complications. 60,000 first printing.

A confessional, uplifting memoir from the beloved YouTube personality. It's not where you begin that matters. It's where you end up. Twenty-three year old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence (not to mention his sparkling eyes and perfect hair). Yet, Joey wasn't always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life but also isn't afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm-hearted, and inspiring, Joey Graceffa's story is a welcome reminder that it's not where you begin that matters, but where you end up.

In this fearless portrayal of a boy on the edge, highly acclaimed Printz Honor author A.S. King explores the desperate reality of a former child "star" struggling to break free of his anger. Gerald Faust started feeling angry even before his mother invited a reality TV crew into his five-year-old life. Twelve years later, he's still haunted by his rage-filled youth—which the entire world got to watch from every imaginable angle—and his anger issues have resulted in violent outbursts, zero friends, and clueless adults dumping him in the special education room at school. No one cares that Gerald has tried to learn to control himself; they're all just waiting for him to snap. And he's starting to feel dangerously close to doing just that...until he chooses to create possibilities for himself that he never knew he deserved.
