30 Free Doll Making Patterns

Horse and pony fans will love dressing the dolls as they care for their horses and take part in lots of showjumping and riding events in this exciting sticker book. With over 700 reusable stickers of ...

Kokeshi dolls have much of the adorable appeal and charm of the ubiquitous Hello Kitty, but with much more extensive wardrobe. This exotic coloring book features black-outlined drawing of Kokeshi (traditional Japanese wooden dolls), each with its own distinctive costume, signature color, and personal haiku. Kids are invited to color in Kimonos, sashes, fans, and other accessories, accenting their masterpieces with any of 75 stickers. Each spread has one doll with a specific personality trait and favorite color. The yellow spread is Kukiko, whose signature trait, expressed by an accompanying haiku, is joy, and the blue spread introduces Oki, who embodies creativity. It's a high-style book with an affordable price designed to provide hours of absorbing creativity and a dash of cultural flair.

An inside look at kokeshi dolls: from the skilled woodworkers behind their design to their important cultural significance. Kokeshi are the simple and charming traditional Japanese dolls characterized by their cylindrical shape and lack of arms and legs. Historically made as children's toys in Japan's northern region of Tohoku, they have now become a popular collector's item and have even inspired famous architects and artists. In this visual guide, readers will find: An overview of the different types of dolls How kokeshi dolls are crafted, including information on tools and woods used Interviews with leading kokeshi craftspeople worldwide Detailed information about both traditional dolls and the modern ones being crafted today An exploration of the cultural significance of kokeshi dolls--both historically and for the areas of northern Japan that rebuilt themselves after their region was decimated by an earthquake and tsunami in 2011 A guide to visiting Japan's kokeshi regions Information on how to buy the dolls--either directly from Japanese artisans or stockists worldwide Filled with artist interviews, gorgeous photos and firsthand travel experience, author Manami Okazaki has created a book to be enjoyed by all--from serious collectors to woodcrafters, interior designers, architects, armchair travelers and anyone with an interest in Japanese culture and travel.

This coloring book is a cheaper and far more effective alternative to the traditional Japanese paper dolls. The pages would allow for a quick review of how your child improves in terms of coloring within the lines and mixing hues up to create an awesome picture. Coloring has the power to develop a child's thinking and motor skills. Order your copy for your child today!

Kokeshi from Tohoku with Love is the second edition of the best selling book that looks at the craft and culture of kokeshi dolls. Included are more profiles, over 50 more photos and several new chapters. Kokeshi are the traditional dolls that are made of wood and are characterized by their lack of arms or legs. They are produced in the Tohoku region of Japan and were originally a children's toy, although it is more often used as a form of decoration nowadays and displayed in the home. Abroad, they are considered to be an icon of Japan, and reflect Japanese aesthetic sensibilities with their simple, elegant and minimalist designs. Kokeshi have the appeal of imperfection and hand made exclusivity as no two dolls are the same, each kokeshi embodies the qualities of wood, something that is often referred to as "warmth. In fact, for collectors, more than the freshly made kokeshi, many covet the atmosphere of the vintage kokeshi -- rather than degrading, as with plastic or artificial materials, the wood picks up a dewy, subdued colour and the delicately painted features fade gracefully with time. This book is the only English language book that looks at this culture in depth, and is the only book with English language interviews with the masters of the craft. The author, Manami Okazaki, visits all 6 prefectures of Tohoku to profile 23 artisans in the remote hot spring villages where they are made. Included are the work and interviews with the masters to the up and coming artists, and highlights many aesthetic theories and sensibilities that are prevalent in contemporary design, even today. The book also looks at Japanese hotspring culture, and Tohoku culture to paint a holistic picture of kokeshi culture. This book will delight fans of wooden crafts, Japanese culture and travellers to Japan. The book gives an insight into the psychology of the craftsman, the process of production, the motifs and the various types, which will inform the collector. This book will also suit travelers to Japan who wish to explore the Northern region of Japan, and their charming hot spring villages. Included are hundreds of photographs."

Ningyo: The Art of the Japanese Doll features over 250 unique photographs as well as extensive commentary and background history. Japanese dolls (ningyo) have played an important role in Japanese art and culture since its earliest stages of development, as talismanic figures, centerpieces, in elaborate festivals, medical study tools, theater distractions, decorative objects, and avidly collected art forms, as well as childhood playthings. Ningyo: The Art of the Japanese Doll is the most comprehensive book on antique Japanese dolls and figurines published in English. The book focuses on the many types of Japanese dolls: gosho: palace dolls hina: Girl's Day dolls musha: warrior dolls for the Boy's Day Festival isho: fashion dolls The principle forms of the dolls and their history, stylistic development, cultural context, and economic imperatives are discussed against the backdrop of Edo-period society and popular culture. Beautifully detailed color photographs of ningyo drawn from private collections, many of which are published here for the first time, as well as images of related materials selected from celebrated museums and temple collections, such as folding screens, woodblock prints, sculpture, painting ceramics, and textiles, help place the dolls in context. Ningyo: The Art of the Japanese Doll is a fascinating book for anyone interested in Asian doll art and doll collecting.
