Animated Book Summary ~~Life On Earth Space~~

Scientists are set to uncover the secrets of a rare meteorite and possibly the origins of oceans and life on Earth, thanks to Science and Technology Facilities Council (STFC) funding.

~~Rare meteorite could hold secrets to life on Earth~~

Indian-American Sirisha Bandla, on July 12, joined British billionaire Richard Branson and four others on board Virgin Galactic's SpaceShipTwo Unity to make a journey to the edge of space.

~~Seeing Earth from space, an incredible, life-changing experience: Bandla~~

After watching Laurence Fishburne get stuck in the deep dimensions of hell in the classic 1997 film Event Horizon, I lost any interest in space travel. If I ever have a chance to explore the worlds of ...

~~Jeff Bezos Is Going to Space As Climate Change Threatens Life on Earth~~

Everything we study about our planet, our solar system, and even exoplanets seems to come back to one big question: Are we alone? It's a huge question, really. Perseverance is looking for evidence ...

~~Searching for Life on Earth and in Our Galaxy~~

To become an interplanetary species, we may have to genetically engineer ourselves to be more resilient, says geneticist Chris Mason. He has a 500-year plan for life away from Earth ...

~~Chris Mason interview: Let's tweak human DNA for life on other planets~~

Jeff Bezos is flying on a Blue Origin rocket to the edge of space on July 20, and has graciously allowed us Earth-dwellers to watch the trip.

~~Jeff Bezos gets the OK for his mid-life crisis trip to space: Here's how to watch it~~

Scientists are set to uncover the secrets of a rare meteorite and possibly the origins of oceans and life on Earth, thanks to Science and Technology Facilities Council (STFC) funding. Research carried ...

~~Rare 4.5 Billion Year Old Meteorite Could Hold Secrets to Life on Earth~~

A mysterious whiff of an unstable chemical in the skies of Venus may not be a sign of life but the result of explosive volcanic eruptions, a new study finds. Last year, scientists reported detecting ...

~~Strange chemical on Venus may come from volcanoes, not life~~

Scientists in the past have observed Venus to be a hot zone of volcanic activity, triggering speculations that it has been resurfaced, making some parts really young.

~~Life on Venus? Mystery chemical on planet may come from volcanoes~~

Let's guilt Richard Branson, Jeff Bezos and any potential space tourists into making charitable donations before they leave Earth ...

~~Column: Let's guilt Branson, Bezos and space tourists into making charitable donations before they leave Earth~~

A group of scientists thinks they detected signs of life on Venus and America is intent on finding out the truth through a combination of public and private missions to Earth's neighbor.

~~Is there life on Venus? American scientists ready space missions to explore the possibility~~

The technology that ensures a livable environment for astronauts in space is called environmental control and life support.

~~China space station: How do regenerative life support systems work?~~

Indian-American astronaut Sirisha Bandla says it was an incredible" and a "life-changing" experience to see the Earth from space during her maiden trip on Virgin Galactic's first fully-crewed ...

~~An Incredible, Life-changing Experience to See Earth from Space: Bandla~~

Bandla, a 34-year-old aeronautical engineer, joins British billionaire Richard Branson and four others on board Virgin Galactic's SpaceShipTwo Unity to make a journey to the edge of space from the US ...

~~An incredible, life-changing experience to see earth from space, says Indian-American astronaut Sirisha Bandla~~

Bandla, a 34-year-old aeronautical engineer on Sunday joined British billionaire Richard Branson and four others on board Virgin Galactic's SpaceShipTwo Unity to make a journey to the edge of space ...

~~An incredible, life-changing experience to see Earth from Space: Sirisha Bandla~~

Bandla. Bandla, a 34-year-old aeronautical engineer, on Sunday joined British billionaire Richard Branson and four others on board Virgin Galactic's Spaceship Two Unity to make a journey to the edge o ...
