Book Review: Stephanie McCurry: Masters of Small Worlds...

"Masters of Small Worlds is a strikingly original work, one which manages to say important new things about subjects that have attracted the attention of generations of scholars--the foundations of proslavery thought and the road to the Civil War. It is difficult to think of a work of American history that more successfully integrates the 'public' and 'private' realms of life, or that demonstrates more persuasively the centrality of gender as a category for understanding American political ...
