New Cthulhu The Recent Weird
New Cthulhu: The Recent Weird is a well-chosen and smartly edited anthology; one nice touch is the use of quotations from HPL as epigraphs. The anthology's main shortcoming is that it is but one entry in the increasingly crowded field of Cthulhu-themed or Lovecraftian anthos, and treads a somewhat well-trodden path.

New Cthulhu: The Recent Weird: Paula Guran: 9781607012894 ... This latest short story collection, New Cthulhu: The Recent Weird is a collection containing 26 works written after the year 2000, In his works he created a new view of the universe, one filled with the unnerving and the strange, a view of the universe where humanity is insignificant in the face of vast incomprehensible forces, a universe which many many horror authors base their works from to this day.

New Cthulhu: The Recent Weird by Paula Guran
New Cthulhu: The Recent Weird presents some of the best of this new Lovecraftian fiction–bizarre, subtle, atmospheric, metaphysical, psychological, filled with strange creatures and stranger characters–eldritch, unsettling, evocative, and darkly appealing.

"The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature"
Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes–dread Cthulhu, Yag-Sothoth, the Plateau of Leng, the Mountains of Madness–have earned him a permanent place in the history of the macabre. In Tales of the Cthulhu Mythos, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: . The Call of Cthulhu by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. . Notebook Found in a Deserted House by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. . Cold Print by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. . The Freshman by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. PLUS EIGHTEEN MORE SPINE-TINGLING TALES!

"Some stories are more explicitly Lovecraftian than others, but all demonstrate how Lovecraft's dark mythology continues to inspire outstanding tales of modern horror." - Publisher's Weekly
Many of the best weird fiction writers (and creators in most other media) have been profoundly influenced by the genre and the mythos H.P. Lovecraft created eight decades ago. Lovecraft's themes of cosmic indifference, minds invaded by the alien, and the horrors of history - written with a pervasive atmosphere of unexplainable dread - are more relevant than ever as we explore the mysteries of a universe in which our planet is infinitesimal and climatic change is overwhelming it. A few years ago, New Cthulhu : The Recent Weird presented some of the best of this new Lovecraftian fiction from the first decade of the twenty-first century. Now, New Cthulhu 2: More Recent Weird brings you more eldritch tales and even fresher fiction inspired by Lovecraft.

Features twenty-seven short stories published in the twenty-first century that were inspired by H.P. Lovecraft's works.

For more than 80 years H. P. Lovecraft has inspired writers of horror and supernatural fiction with his dark vision of humankind's insignificant place in a vast, uncaring cosmos. At the time of his death in 1937, Lovecraft was virtually unknown, but from early cult status his readership expanded exponentially; his nightmarish visions laying down roots in the collective imagination of his readers. Now this master of the macabre is accepted as part of the literary mainstream, as an American author of note, and the impact of his work on modern popular culture - in literature, film, television, music, the graphic arts, gaming and theatre - has been profound. As Stephen King wrote in Danse Macabre, the shadow of H. P. Lovecraft "underlies almost all of the important horror fiction that has come since.' Today, Lovecraft's themes of cosmic indifference, the utter insignificance of humankind, minds invaded by the alien, and the horrors of history remain not only viable motifs for modern speculative fiction, but are more relevant than ever as we explore the mysteries of a universe in which our planet is infinitesimal. This outstanding anthology of original stories - from both established award-winning authors and exciting new voices - collects tales of cosmic horror inspired by Lovecraft from authors who do not merely imitate, but reimagine, re-energize, and renew the best of his concepts in ways relevant to today's readers, to create fresh new fiction that explores our modern fears and nightmares. From the depths of R'lyeh to the heights of the Mountains of Madness, some of today's best weird fiction writers traverse terrain created by Lovecraft and create new eldritch geographies to explore . . . With stories by: Laird Barron, Nadia Bulkin, Amanda Downum, Ruthanna Emrys, Richard Gavin, Lois H. Gresh, Lisa L. Hannett, Brian Hodge, Caitlin R. Kiernan, John Langan, Yoon Ha Lee, Usman T. Malik, Helen Marshall, Silvia Moreno, Norman Partridge, W. H. Pugmire, Veronica Schanoes, Michael Shea, John Shirley, Simon Strantzas, Sandra McDonald, Damien Angelica Walters, Don Webb, Michael Wehunt and A.C. Wise
Praise for the editor: 'For fans of Lovecraftian fiction and well-wrought horror' - Library Journal
'Guran smartly selects stories that evoke the spirit of Lovecraft's work without mimicking its style.' - Publishers Weekly
'It's a pretty impressive line-up, with nary a clunker to be found. . . . You don't have to be a Lovecraft fan to enjoy this anthology... You'll find alienation, inhumanity, desperation, cruelty, insanity, hopelessness and despair, all set against the backdrop of a vast, unknowable universe filled with vile, indifferent monstrosities. You'll also find beauty, hope, redemption, and the struggle for survival. What more can you ask for?' - Tor.com
'I highly recommend this collection.. If you have even the slightest interest in contemporary horror fiction, you'll want to try this one on for size!' - BookGuide

Last year, Night Shade Books unleashed The Book of Cthulhu onto an unsuspecting world. Critically acclaimed as "the ultimate Cthulhu anthology" and "a 'must read' for fans of Lovecraft's Cthulhu mythos," The Book of Cthulhu went where no collection of mythos tales had gone before: to the very edge of madness... and beyond. For nearly a century, H. P. Lovecraft's tales of malevolent Great Old Ones existing beyond the dimensions of this world, beyond the borders of sanity, have captured and held the imaginations of writers and aficionados of the dark, the macabre, the fantastic, and the horrible. Now, because you demanded more, anthologist Ross E. Lockhart has risked all to dive back into the Cthulhu canon, combing through mind-shattering manuscripts and moldering tomes to bring you The Book of Cthulhu 2, with even more tales of tentacles, terror, and madness. Featuring monstrous stories by many of weird fiction's brightest lights, The Book of Cthulhu 2 brings you even more tales inspired by H. P. Lovecraft's greatest creation: The Cthulhu mythos. This year, the stars are right... Iä! Iä! Cthulhu Fhtagn!

Frequently imitated and widely influential, Howard Phillips Lovecraft reinvented the horror genre in the twentieth century, discarding ghosts and witches and envisioning instead mankind as a tiny outpost of dwindling sanity in a chaotic and malevolent universe. Love craft's preeminent interpreter S. T. Joshi presents a selection of the master's fiction, from the early tales of nightmares and madness such as "The Outsider" and "Rats in the Walls," through the grotesquely comic "Herbert West-Reanimator" and "The Hound," to the overpowering cosmic terror of "The Shadow Over Innsmouth" and "The Call of Cthulhu." The first paperback edition to include the definitive corrected texts, The Call of Cthulhu and Other Weird Stories reveals the development of Lovecraft's mesmerizing narrative style and establishes him as a canonical-and visionary-American writer.

"The most merciful thing in the world, I think, is the inability of the human mind to correlate all its contents." The classic American horror author H. P. Lovecraft coined the term weird fiction in the 1920s. Even today, in our rational world of wonder, his legacy of cosmic horror slumbers on. Deep in the recesses of our unconscious minds, we suspect its truth - that as we puzzle out the shape of true reality, we'll find it is not to our liking. Not one bit. Modern science, with its experts and specialties, is a fragmentary thing. In this, it reflects the human mind. We keep our thoughts in boxes, broken into digestible shards. It is safer. Cosmic horror warns us that what we fondly imagine to be reality is just a thin skin of light and substance over endless gulfs of insanity. Gather too much knowledge, make the wrong connections, and the truth can no longer be denied. The amazing tales lovingly collected in Cthulhu Lies Dreaming are fragments of that truth. Treat them with the caution that they deserve. Each will offer you glimpses behind the skin of the world, leading you closer and closer to the edge of the abyss. Knowledge may bring wisdom, but it also offers far darker gifts to the curious. The truth is indeed out there, and it hungers. Contributors include: Kenneth Hite Matthew Hockey Ayobami Leeman Kessler Greg Stolze Lynnea Glasser Lucy Brady Yma Johnson M. S. Swift Thord D. Hedengren Marc Reichardt Lynne Hardy Brian Fatah Steele Matthew Chabin Samuel Morningstar Daniel Marc Chant Morris Kenyon Saul Quint William Couper Peter Rawlik Evey Brett E. Dane Anderson Mike Davis G. K. Lomax Gethin A. Lynes

WIKIPEDIA says: 'H.P. Lovecraft's reputation has grown tremendously over the decades, and he is now commonly regarded as one of the most important horror writers of the 20th century, exerting an influence that is widespread, though often indirect.' His tales of the tentacled Elder God Cthulhu and his pantheon of alien deities were initially written for the pulp magazines of the 1920s and '30s. These astonishing tales blend elements of horror, science fiction and cosmic terror that are as powerful today as they were when they were first published. THE NECRONOMICON collects together the very best of Lovecraft's tales of terror, including the complete Cthulhu Mythos cycle, just the way they were originally published. It will introduce a whole new generation of readers to Lovecraft's fiction, as well as being a must-buy for those fans who want all his work in a single, definitive volume.

For more than eighty years H.P. Lovecraft has inspired writers of supernatural fiction, artists, musicians, filmmakers, and gaming. His themes of cosmic indifference, the utter insignificance of humankind, minds invaded by the alien, and the horrors of history?written with a pervasive atmosphere of unexplainable dread?remain not only viable motifs, but are more relevant than ever as we explore the mysteries of a universe in which our planet is infinitesimal and climatic change is overwhelming it. In the first decade of the twenty-first century the best supernatural writers no longer imitate Lovecraft, but they are profoundly influenced by the genre and the mythos he created. New Cthulhu: The Recent Weird presents some of the best of this new Lovecraftian fiction?bizarre, subtle, atmospheric, metaphysical, psychological, filled with strange creatures and stranger characters?eldritch, unsettling, evocative, and darkly appealing.
