A nation is a stable community of people formed on the basis of a common language, territory, history, ethnicity, or psychological make-up manifested in a common culture. A nation is more overtly political than an ethnic group; it has been described as "a fully mobilized or institutionalized ethnic group".

Nation - Wikipedia

a country, especially when thought of as a large group of people living in one area with their own government, language, traditions, etc.: All the nations of the world will be represented at the conference. The Germans, as a nation, are often thought to be well organized. Practically the whole nation watched the ceremony on television.

NATION | meaning in the Cambridge English Dictionary

the territory or country itself: the nations of Central America. a member tribe of an American Indian confederation. an aggregation of persons of the same ethnic family, often speaking the same language or cognate languages.
