There's a resident care crisis in Rhode Island nursing homes. Caregivers are leaving the industry in droves because of short staffing, and nursing homes can't recruit and retain new caregivers because of low pay. It's a cycle that is dragging down the quality of care for residents. But we can break that cycle. Together, we must demand that our elected officials raise the bar on resident care ...

The host of Spike TV's Bar Rescue distills the secrets to running a successful hospitality business as based on his Reaction Management strategy for creating desirable reactions in customers.

New York Times Bestseller and Wall Street Journal Bestseller! Bar Rescue's Jon Taffer presents a new guide to getting what you want in life and business--to stop making excuses so you can get back to winning. During his many years as an entrepreneur, consultant, and star of the Paramount Network's hit show Bar Rescue, Jon Taffer has witnessed the destruction that results when people bullsh\*t themselves. Excuses are the root cause of nearly every business and personal problem, but fortunately, Jon knows how to fix your excuse habit for good. This book is almost as good as having Jon in your face on Bar Rescue, telling you the hard truths you've been avoiding. Don't Bullsh\*t Yourself! is Jon Taffer's brutally honest, no-nonsense guide to help you kick those excuses to the curb. If you can stop bullsh\*tting yourself and address your real issues, you will gain the power to turn your life around completely. Taffer breaks excuses down into six major categories, illustrating them with real-life examples such as Marcus Luttrell, the lone survivor of a SEAL team mission in Afghanistan who barely escaped Taliban territory, and Christine King, founder and CEO of Your Best Fit, who, despite being paralyzed in a horrific boating accident, went on to build a successful fitness company. These inspiring stories, combined with Taffer's own experiences, will give you the confidence to identify and face your own excuses head-on. It's Taffer Time! Time to stop bullsh\*tting yourself and start crushing it!

Star and executive producer of the hit TV show Bar Rescue and New York Times bestselling author of Don't Bullsh\*t Yourself, Jon Taffer reveals the transformational power of conflict, sharing his toolkit for arguing smarter—at home, at work, and in life. Most people try their best to avoid conflict. Bar Rescue host Jon Taffer understands that. Conflict can have negative results. It ' s easy to think that the key to a happy workplace or marriage is to avoid conflict. In reality, that ' s not the case—the key is to argue smarter. Enter the Toolkit for Getting Conflict Right. Taffer ' s approach is focused on deliberate conflict—otherwise known as " conflict with a purpose." There are selective and strategic ways to have difficult conversations, and when doing so, to stay aware of your objectives rather than escalating tension unnecessarily. As Taffer explains, " The key is to act affirmatively, constructively, and productively." Eliminating conflict isn ' t always the answer; inevitably there will be times when it will arise. Engaging in conflict can be a way to clear the air, and get to the bottom of issues that, once resolved, can strengthen friendships, ease tensions at work, and address problems before they have a chance to bubble over. With easy-to-follow advice that shows how to best engage in constructive discourse to get the results you want, The Power of Conflict provides you with the rules to argue smarter, uphold your values, and keep the conversation real. The step-by-step guide starts with the inception of the conflict and carries through the difficult conversation ' s conclusion, arming readers with the skills and confidence to fight for their principles.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Master the art of bar calisthenics and forge the upper body of your dreams without the need for weights, machines, or gym memberships! Kavado breaks down every type of exercise you can do with a pull-up bar. From basic two arm hangs to a one arm pull-up, the "bar master" takes you step by step through everything you need to do to build the chiseled frame you've always wanted.

Working Backwards is an insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time Amazon executives—with lessons and techniques you can apply to your own company, and career, right now. In Working Backwards, two long-serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between them—much of it during the period of unmatched innovation that created products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services—Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable, scalable, and adaptable. With keen analysis and practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon ' s fourteen leadership principles inform decision-making at all levels of the company. With a focus on customer obsession, long-term thinking, eagerness to invent, and operational excellence, Amazon ' s ground-level practices ensure these characteristics are translated into action and flow through all aspects of the business. Working Backwards is both a practical guidebook and the story of how the company grew to become so successful. It is filled with the authors ' in-the-room recollections of what " Being Amazonian " is like and how their time at the company affected their personal and professional lives. They demonstrate that success on Amazon ' s scale is not achieved by the genius of any single leader, but rather through commitment to and execution of a set of well-defined, rigorously-executed principles and practices—shared here for the very first time. Whatever your talent, career or organization might be, find out how you can put Working Backwards to work for you.

The Bar Shift is 41 best practices for managing your bar and restaurant specifically targeting concepts and processes that will improve results and work-life. It's designed to be specific and to the point; which is what our industry requires. The book also allows the reader to jump right to a topic that may be a burning need in the business at the moment without compromising any previous content. The book is purpose-built for an industry that doesn't have time for a lot of waste, especially time! The Bar Shift targets the Bar Manager as it's audience understanding that that role may be played by anyone from an owner to a bartender. The book ensures there's content that will satisfy the most seasoned and talented of those involved in the industry from managers, owners, consultants and distributors alike.

· Unprecedented access behind Half-Life and Half-Life 2 · A forward by Valve founder Gabe Newell · Hundreds of art, design, preproduction, and other art pieces crammed into the book · Over a dozen key members of Valve's staff interviewed · Officially approved by Valve · Behind City 17 and other locations · The development of the Source engine · A rogue's gallery of beasts, characters, and monstrosities · Key weapons development revelations · A tour of many of the game's locations, from inception to completion · Filled with art, screens, and anecdotes from the Valve team
