Applique: Take your rectangle of base fabric and fold it in half lengthways. Press fold and then open fabric out again. This will give you a straight vertical line to follow when positioning your applique shapes - you don't want your teacups to lean to the side! The templates on the following pages are given actual size. Place Bondaweb over

Tea Cups Applique - Bustle & Sew

What a wonderful selection of teapots to applique with full size templates to trace for either hand applique or by machine. I chose many color values in metallics and they are beautiful, whether you make a few for pillows or a wall hanging, or the complete collection for the quilt, these are wonderful and such fun to make and a bit different from the usual patterns for quilts.
