Flipping a property is quite simply buying at once price, then quickly selling at a higher price. It’s also known as: Trading. Fix and flip. Buy-to-sell. “Buy-to-sell” is probably the most useful term, because it indicates the intention clearly and sets it apart nicely from buy-to-let.

Whether you're looking to make a career out of flipping homes or see it as a part-time venture, you can make fast money legitimately. Before you get started, you need to know the right way to flip, regardless of local market conditions and current economic trends. There's more to flipping than redoing a kitchen or staging a property. Every deal is different, and each investor must have a clear business strategy. Expert investors William Bronchick and Robert Dahlstrom have learned how to be successful in all types of markets—and now they share their secrets with you. From the bestselling authors of Flipping Properties, which brought the term "flipping" to American households, The Business of Flipping Homes is an A-to-Z guide for both new and seasoned investors. The book explains what flipping is and isn't, goes beyond the investment of a basic single-family home, and demonstrates how to find, renovate, and sell properties using proven methods. With more than 40 years combined experience in buying and selling investment properties, Bronchick and Dahlstrom explain how to avoid many of the pitfalls and issues that could drain your funds and come back to haunt you. They give systematic approaches on long-term planning, including how to find and work with partners, structure a business, and utilize your specific talents, resources, and aspirations in realistic ways. You'll learn how to figure out timelines, work with real-estate agents, understand the paperwork, analyze the numbers, utilize technology, and, most important, find the money.

Let's face it—fixing and flipping houses is sexy. Who doesn't love the idea of buying a rundown, mold-infested shack and transforming it into someone's dream home for massive profits? Reality TV shows make it look so easy. A little paint here, some new kitchen cabinets there, and presto! The house is sold for big bucks and everyone lives happily ever after. If only it were that simple. Fixing and flipping houses is a business. In order for a business to survive, prosper, and grow, systems must be put in place. Fixing and Flipping Real Estate: Strategies for the Post-Boom Era is a book that breaks down the four essential components of a fix-and-flip business, giving you the building blocks to efficiently buy and sell 1 to 20 properties a month in today's post-boom era housing market. You'll learn about each of the boxes: Acquisition—How to find and buy a profitable real estate deal. Rehabbing—How to systematically remodel a house and how not to underimprove, or overimprove, your property. Sales—How to sell your flip for the highest possible price in the shortest possible time. Raising Capital—How to get the capital you need to grow your business, including using other people's money, for your real estate deals without getting sued or going to jail. In the post-real estate boom era, fixing and flipping is again a solid business—especially in the “sand” states—Arizona, California, Nevada, Texas, and Florida, among others. It's also a good bet in states as diverse as North Carolina and Washington State. And with the real estate market projected to bottom out nationally in 2012 (this time for real), there are plenty of houses to be renovated and plenty of money to be made by the enterprising in all fifty states. This book shows real estate investors everything they need to know to get started fixing and reselling houses either as a substantial sideline or a full-on business.

Real estate has probably made more millionaires than any other financial vehicle. Flipping Properties highlights one method of investing in real estate, "flipping," which is a great way to begin building wealth with real estate. Flipping is growing so popular, in fact, that in Broomfield, CO (a suburb of Denver), 40 percent of newly built homes were sold to investors who intended to "flip" the properties. This practice is continuing to grow in cities across the country. Flipping Properties teaches beginners how to reap the financial and personal rewards of a full or part-time venture in real estate investing, including cash flow, security, and long-term wealth.

This guide provides an overview of the many components of the popular practice of flipping properties. Coverage spans the flipping process from start to finish—finding, buying, fixing up, and selling—and the variables needed to make all of those steps successful and profitable. Also included is coverage on negotiating, property inspections, mortgages, taxes, and working with contractors, brokers, and real estate agents. The book is perfect for responsible investors who want to flip houses the right way and steer clear of legal gray areas that get some investors into trouble.

FLIP, the third book in the National Bestselling Millionaire Real Estate Series (More than 500,000 copies sold!) FLIP provides a detailed, step-by-step process to analyze each investment, identify the best improvements, accurately estimate the costs and intelligently oversee the construction. It takes out all the guess work and almost all of the risk. Here's what industry experts are saying about FLIP: "Read this book before you flip that house! FLIP is an indispensable step-by-step guide to flipping houses that you will refer to again and again." -Carlos Ortiz, Executive Producer, "FLIP That House" (TLC's most popular real estate TV show) "At HomeVestors, we're in the business of buying and selling homes for profit and I can attest that there are few, if any, who can rival Rick's and Clay's expertise when it comes to fixing up houses for profit. This book is a must-read for any investor." -Dr. John Hayes, President and CEO of HomeVestors of America (the largest homebuyer in America) "FLIP is a must-read book for everyone in the real estate business. Every agent should have this book. They should read it and master its contents. Why? Because it is the best guide ever written on how to evaluate real estate and how to add value to a house." -Gary Keller, Founder and Chairman of the Board of Keller Williams Realty International and author of bestselling The Millionaire Real Estate Agent and The Millionaire Real Estate Investor "For anyone looking to build wealth in real estate, FLIP provides a step-by-step approach that really works in any market." -Loral Langemeier, bestselling author of The Millionaire Maker FLIP extends the national bestselling Millionaire Real Estate series with a step-by-step guide that is quickly becoming "the model" for successfully finding, fixing and selling investment properties for profit. Based on their involvement in over a 1,000 flips, Rick Villani and Clay Davis walk you through the proven five-stage model for successfully flipping a house: FIND: How to select ideal neighborhoods, attract sellers, and find houses with investment potential ANALYZE: Identify which improvements to make and analyze the profit potential of any house BUY: How to arrange financing, present the offer, and close on the purchase FIX: A 50-step, easy-to-follow plan for fixing up houses that keeps you on time, in budget and assures top quality SELL: How to add finishing touches to quickly sell for maximum profit Woven through the book is an entertaining narrative that follows the flipping adventures of Samantha, Ed, Bill, Nancy, Amy and Mitch as they find, buy, fix and sell their first investment houses. With all this plus the experience of over a thousand flips condensed into one book, FLIP gives new investors the tools they need to avoid common pitfalls, make a profit, and enjoy the process of house flipping. Rick Villani and Clay Davis are senior executives at HomeFixers, North America's leading real estate rehab franchise. HomeFixers has been involved in more than 1,000 flips nationwide.
