Keep in mind that the inheritance of temperament is less predictable than the inheritance of physical traits such as size or shedding. Temperament and behavior are also shaped by raising and training. You can avoid some negative traits by choosing an ADULT dog from an animal shelter or rescue group. With an adult dog, you can easily see what you're getting, and plenty of adult Samoyeds have ...

In Jungian psychology, the shadow (also known as id, shadow aspect, or shadow archetype) is either an unconscious aspect of the personality that the conscious ego does not identify in itself; or the entirety of the unconscious, i.e., everything of which a person is not fully conscious. In short, the shadow is the unknown side. From one perspective, the shadow "is roughly equivalent to the ...
